RANGE

Advance. With it's intentions built into its name this architecturally inspired collection of bathroom furniture will satisfy your senses. Aesthetically pleasing, clean-line styling combined with smooth and silent operation and innovative design, it is safe to say that this is not your average vanity.

Cleverly designed MarbleForm composite top offers large basin and bench area and sees the waste positioned at the rear corner of the basin to provide ample storage space in the cupboard beneath.

Far left: Advance 1200mm white gloss polyurethane, Right hand basin.
Left: Blumotion stainless steel drawer system.

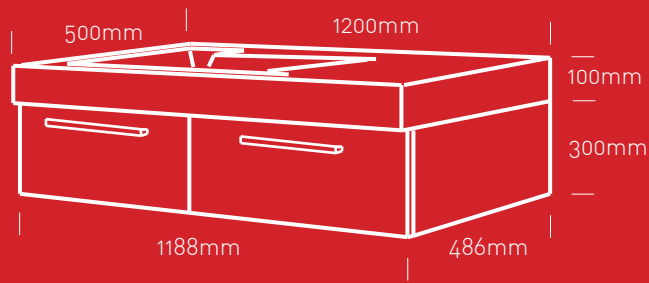

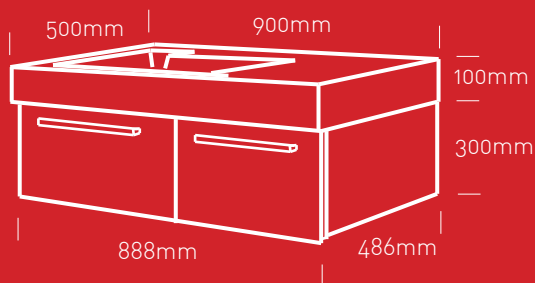

Equipped with the latest in technology, the Advance collection feature Blumotion stainless steel drawer systems with silent soft-close motion which automatically adapts to weight and closing force with integrated braking system. Doors will never be slammed with innovative soft-close door dampers as standard equipment. Advance cabinets are available in full gloss or satin polyurethane, or a select range of new-age Laminex® finishes.

Far right: Advance 900mm Mocha Ash Laminex®, Left hand basin.
Right: Blumotion s/s drawer system finished in New Graphite Laminex® with s/s side inserts.

*drawers positioned opposite basin side.

Specifications:

All sizes are nominal (Artist impression only).
